

# SPONSORSHIP FORM

This will be the fourth year for what is quickly becoming a Scott County Thanksgiving tradition: the ANNUAL ST. JOHN TURKEY TROT! This is a 5K Run/Walk held on the old Double Stink Farm property in Georgetown, KY, on the Saturday before Thanksgiving. Though the chill of an early November morning might keep some in bed, this has not been the case for the dedicated and fun runners who have enjoyed the course over the last three years. It has grown nicely in the number of participants over the first three years and we expect even more for 2011.

As with any fundraiser, sponsors to help with the costs of awards, shirts, and foods are essential. All of the proceeds raised from the race go directly to the improvement of the sports programs at the school. This is a tremendous way to continue to support your community and to get the name of your business out there even more! In return for your support, we will put the name of your company or business on the back of the shirts that ALL participants will be getting AND your business' name will be on sponsor banners at the run AND on the website for the race!!
